

JOB REQUIREMENTS:

MECHANICAL ENGINEER

Description:

We are seeking to incorporate a Mechanical Engineer to join our growing team. IRIS is an advanced engineering company that specializes in process monitoring and control solutions & novel technologies for process optimization. You will work as part of a team of scientists and engineers involved in different R&D projects related to industrial solutions in different fields (food, pharma, automation, monitoring).

We operate in a demanding high-performance environment where you will be continually stimulated and you will grow a lot. Up for it?

Essential **Job Functions** include the following but are not limited to:

- Design and develop mechanical structures for the company's R&D efforts and the company's products.
- Participate in all development phases; specifications, design, building, internal tests of acceptance, installation and validation at client's facilities.
- Responsible for mechanical drawings from prototyping to production.
- Designing of 3D pieces and components.
- Assembly of prototypes.
- Maintaining technical documentation, such as user's manuals.

Requirements:

- BS in Mechanical Engineering or Industrial Engineering.
- Minimum of 3 years' industry experience is a must.
- Strong skills and experiences with mechanical drawing software packages, such as SolidWorks, is a must.
- The successful candidate will have a strong mechanical background, for example with GD&T.
- Good level of English (C1) is a must.

Additional Skills:

- Experiences on the mechanical design of optical devices for food or pharma industry would be a plus.
- Experience in product development.
- Good communications skills, both oral and written, technical presentation skills a plus.
- Excellent decision-making skills.

What we offer:

- Working in challenging R&D European projects.
- Multidisciplinary and multicultural working environment.
- Flexi-time working hours.
- Fridays afternoon off.
- 23 business days of vacations + public holidays.
- Ticket Restaurant, Ticket Transport, ticket Guarderia (Optional).
- Private Health Insurance (Optional).
